Overview

Step back into time with this 1890 historical home, located in the sought after Vassalboro, ME. With low taxes and a lot of options for high school students to pick from. You can enjoy the stream across the street with fishing, swimming, and canoe around to see lots of wildlife. Stay warm in the winter months with a pellet stove in the kitchen, heat pump in the living room, a wood stove in the basement and hot water baseboard heat throughout. This 4 bedroom farmhouse sits on a nice 1.33 acre lot with connections to the snowmobile and ATV trails right from your backyard! Come see for yourself the opportunity to build equity and memories!!!!
