Overview

This beautiful 4 bedroom, 3.5 bath new construction home welcomes you in as soon as you step on the front porch. Open concept floor plan features exceptional custom finishes throughout and a kitchen with large island, granite countertops, and two pantries with custom built shelving. The primary suite is located on the main level with large tile shower and walk in closet. Full finished basement with a full bath makes for the perfect entertaining space or finish out to be in law quarters. Oversized two car garage and second drive. No HOA, private lot and located close to all White Bluff city has to offer with coffee shops and restaurants. This is a must see home.
