Overview

Move in Ready December 2024! The McGinnis Plan in Sycamore Crest built by Smith Douglas Homes. Thie popular plan features a wide entry foyer that leads to a traditional dining room ideal for entertaining. The island kitchen and adjacent family room span the back of the home with convenient access to the rear covered patio and yard. Luxury Vinyl plank flooring throughout the main level offer a seamless transition from room to room. Take the open iron rail staircase upstairs where you'll find the spacious owner's suite and bath with a garden tub and separate shower. The walk-in closet has access to the laundry room. Three secondary bedrooms each with a walk-in closet and a large secondary bathroom and ample sized laundry room are located off the open loft. 9ft ceiling heights! Photos are representative of plan not of actual home being built. Ask about seller incentives with use of preferred lender.
