Overview

This SPECTACULAR property is truly something to see! Custom-built home (over 5800 finished sq. ft.) sitting on 25 acres, with two stocked ponds, a spacious refurbished barn with curb appeal and an outdoor entertainment area. The 5 BR, 4 BA home has beautiful hardwood flooring, crown molding, detailed window/door trim, recessed lighting, a vaulted ceiling in the living room, nice built-in's with adjustable shelves, a gas fireplace with a granite hearth in the living room, gas fireplace in the master bedroom, solid surface shower in the master bath, an eat-in-kitchen with stunning maple cabinets (with interior lighting and some glass cabinet doors), granite countertops, a kitchen island with a JennAir cooktop range, a trash compactor and stainless steel appliances including a smudge proof stainless steel frig. The outdoor entertainment has a large, closed top (13ft) pergola with a place to dine after cooking on a built-in charcoal grill. There is also a beautiful stone fireplace. The house has a back and side porch, two attached garages (main level and basement) and a basement with a kitchenette - could be a mother-in-law suite. There is beautiful landscaping, this is a total package property.
