## Overview

Introducing one of our newer Hudson floorplan brought to you by D.R. Horton - Americas Builder. This new home features a bright wide open layout with flex room on the main for your home office or formal dining. Have fun entertaining your guests and relax around your cozy electric fireplace. Or whip up an incredible meal in your beautiful kitchen with our designer white kitchen package, oversized center quartz countertop island, gas range and walk-in pantry. Upstairs you will find a large primary suite with large walk-in closet and three additional bedrooms, nice sized loft space to hang out and laundry for your convenience. Located in Blaine close to the brand new city park, trails, restaurants and shopping. A few minutes up the road to 35W and the park and ride for commuters. In for a round of golf? Top rated TPC is under 10 minutes away. So much to do and see all in Blaine! Tracking for end of November move-in.
