## Overview

Finally, a coveted upper floor, rear-facing, 2 bedroom/2 bath unit. One of the nicest and brightest units in the building, it features updated kitchen and bathrooms, different options for dining spaces (kitchen and dining area), tall ceilings, stunning wood floors, spacious closets including 2 walk-ins, a walk-in shower and a full tub, as well as a private balcony with beautiful tree top and pool views. With a garage spot and a carport spot, there's plenty of parking. In the immediate vicinity: Wegmands, Seasons 52 and other restaurants, Coffee options, The Street@Chestnut Hill, Lifetime and Equinox luxury workout facilities, and more! This is the one, do not wait!
