## Overview

Great recently remodeled home. Primary upstairs with vaulted ceilings, great room, full bath, and lots of passive solar. Open kitchen and dining area. Down stairs has laundry, living area, two bedrooms and 3/4 bath. Great deck up and patio down. Lots of beautiful aspens on property. You are in the Center of Colorado. Close to the Metro area for short ride to cabin. South park is surrounded with gorgeous mountain views and National Forest for all things Rocky Mountain. World class skiing in Summit county also. 12 month access to home for all winter activities. Road mostly paved into Indian Mountain and working on more. Just come on up and you will be well pleased.
