Overview

Step into this beautifully, newly updated property featuring brand-new paint in a FANTASTIC LOCATION! This large, well-configured home boasts FIVE bedrooms and 2-1/2 bathrooms, including a MASTER ON THE MAIN with ensuite bathroom. Upstairs, you'll find three large bedrooms, one with custom built-ins, that share a Jack-and-Jill bathroom. Downstairs you'll find one additional bedroom, a half bath, and LARGE family room perfect to spread out in. The eat-in kitchen is light, bright and white, and the living room boasts a fireplace and charming window seat with storage, perfect for enjoying a good book. The home features a three-season screened-in back porch looking onto the fantastic, large, level backyard. Flooring is a blend of hardwood floors and carpet; plus you'll find original hardwood floors under living room carpet! Amazingly, the home is owned by the original owner! It has been lovingly maintained and got a refresher right before going on the market too, so you'll find it clean, with added GFCI outlets, smoke and carbon monoxide detectors, refreshed landscaping, and many small details accounted for in advance that the discerning homeowner will care about. It's a great slate to enjoy immediately with room to update for those who want to put their special touch on it! As to LOCATION, LOCATION, LOCATION, this Concord Woods neighborhood has NO HOA, is well-maintained, and is a great commuter location minutes from Smyrna Market Village, The

Battery, Truist Park, and Marietta Square.
