## Overview

Travel down one of the most beautiful streets in Wake Forest and come to the end of the cul-de-sac to arrive at this spectacular home. This exquisite home sits far back on a huge lot, so you have tons of greenery leading to the property. The backdrop of the home brings in full, mature trees and natural beauty on almost a full acre. From the screened in porch, you can view deer nestle through the yard that is ready for a pool! This estate home welcomes you the moment you walk up to the front porch. Upon entering, you will see a true office space, an adjacent dining room and then a fabulous kitchen/brunch and living area- in a beautiful layout! Tons of space in the kitchen with an added butler's pantry. Bonus is the elegant, warm and inviting kitchen hearth keeping room, a great space for morning coffee by the fire. Nearby is a large laundry room and oversized 3 car garage. The expansive primary bedroom and ensuite are on the main floor. Upstairs has very large bedrooms, all with walk-in closets and attached bathrooms. Plus, a great big bonus room, currently set up as a theatre and gym. Don't miss the over 1k sqft of attic space and the brand new 2024 roof! This home has a peaceful feel, in a serene setting. You can also access all your major conveniences within minutes! Come tour this home that has it all!
