Overview

Luxurious 5-bedroom, 4.5-bathroom custom home perfectly blends elegance with comfort. Nestled on premium, private lot with sparkling pool and serene views of lush greenbelt, this property offers a tranquil escape while being close to beautiful Lake Ray Hubbard, top-rated schools and shopping. From the moment you arrive, meticulous attention to detail is evident, with exceptional curb appeal and grand features including towering ceilings, layered crown molding, and hand-scraped hardwood floors. Dream kitchen is equipped with commercial style appliances seamlessly opens onto breakfast area and living area adorned with impressive stone fire. Host unforgettable family gatherings in elegant dining area. Downstairs master and guest suites offer an ideal layout for both privacy and convenience. 3 generously sized bedrooms each feature spacious closets and access to full bathrooms. Entertainment options abound with second living area, media-game room perfect for movie nights or game days. So much more to see
