Overview

Discover the Ease of Main-Level Living! This charming condo features a convenient two-car garage with just a step up to your living area. The kitchen offers ample storage, including a pantry, plenty of cabinets, and a breakfast area to soak in the morning sun. The spacious living/dining room opens onto a deck that spans the back of the home, also accessible from the primary bedroom, perfect for enjoying stunning sunsets or watching high school football games. The primary bedroom boasts a walk-in closet and a step-in shower. The garage's built-in shelving provides plenty of storage, but the real surprise awaits in the unfinished basement/crawlspace in the back, offering even more room for your belongings!
