Overview

A delightful 4-bedroom and 2 full bath ranch home that perfectly blends comfort and stunning river views! This lovely home features some recent updates and charming details that make it a must-see. As you approach, you'll notice the fresh exterior paint, completed in 2023. The new roof installed in 2020 ensures peace of mind and durability for years to come. The spacious main level highlighted by a large living room with a cozy wood-burning fireplace, ideal for relaxing or entertaining. The main level also boasts hardwood floors in the bedrooms, adding a touch of classic charm. The lower level is a true retreat, featuring two additional bedrooms and a full bath, providing ample space for family or guests. The lower level also includes a versatile Rec Room with an electric fireplace, perfect for unwinding or hosting game nights. Comfort is assured with a new furnace and central air system installed in 2019, and newer replacement. Don't miss this opportunity to own a home that combines modern conveniences with picturesque river views. If you have a need for close access to a loved one or family member, here's a unique opportunity to purchase side by side properties. The sellers are related See MLS #QC4256136 - 2002 Mississippi Blvd.
