## Overview

Discover a highly sought-after condo in downtown St. Joseph. This stunning 2 bed, 2 bath unit places you within walking distance of Silver Beach, local shops, and an array of dining options. This condo has been completely renovated with a focus on modern style and function. It features an open layout with exposed original brick, high ceilings, and an industrial design. The kitchen is equipped with premium cabinetry and quartz countertops. The spacious living area flows seamlessly into the kitchen and dining spaces, ideal for entertaining. Additional highlights include: elegant hardwood floors, high-end fixtures, and two beautifully tiled bathrooms. A rooftop deck offers breathtaking lake views and sunsets, while the basement provides storage space for beach essentials. With 1 parking spot included!
