Overview

Discover your dream home nestled in the heart of Mahtomedi. This exquisite residence offers over 3,700 square feet of luxurious living space, featuring 3 bedrooms, 4 bathrooms, and a sparkling saltwater pool. Step outside to your private oasis where you'll find more than 1,000 square feet of elegant paver patio surrounding the pool, complete with a convenient storage shed and an outdoor half-bathroom ensuring no one needs to track water through the house. The home is adorned with high-end Marvin windows and Board and Batten LP Smartside siding. Full spray foam insulation and includes a spacious 3-car garage with 8' doors, which is both heated and insulated. Upon entering, you are greeted by an inviting open-concept main level designed with family and entertaining in mind. The custom kitchen is a chef's delight with a 10' Long Island, white oak cabinetry, exquisite lighting, vaulted ceilings with white oak beam, and a stunning vertical shiplap accent wall with a TV and fireplace. Adjacent to the dining area is a large office featuring built-in cabinetry and two expansive pocket doors for privacy. The main-level owners suite is a tranquil retreat, complete with a vertical shiplap wall with built-in TV, a cozy gas stove, and a luxurious bathroom boasting a long white oak vanity, beautiful lighting, and a grand marble shower. The suite is completed by a generous walk-in closet. Upstairs, you'll find a versatile bonus room over the garage, ideal for use as a gym, office, storage space, or media room. The lower level features an expansive family room, three large storage closets, two spacious bedrooms with built-in cabinets and desks, and a full guest bathroom. Experience the charm and sophistication of this custom-built masterpiece by POP Builders and floor plan by Blue Pencil Collective, and make it your forever home.
