Overview

Don't miss this 3 bedroom COTTAGE HOME with modern touches! The SPACIOUS open floorplan interior was COMPLETELY REMODELED with white Kitchen cabinetry, black granite countertops, oversized breakfast bar island and recessed lighting. Wood-look flooring thru-out and updated bathrooms including double sink vanity in the Master Bath. Side and back yards have plenty of space for fun under the shade trees on the brick patio or simply relaxing on the welcoming front porch with a cup of coffee. Carport in back is ideal for your boat and the workshop is complete with electricity and shelving + a separate storage shed. Centrally located about a mile from the Rockwall downtown square. Roof replaced in 2020. NO HOA!
