Overview

Mahtomedi awaits with its excellent schools and quality of lifestyle. Very affordable, nicely updated home with 6 panel doors, granite counter tops, S/S appliances, real wood floors and a gorgeous, spacious 4 season porch overlooking your fenced back yard. This home has everything-excellent location, room to grow, move in ready just to name a few. Brick, wood burning fireplace anchors the lower level family room and is expansive enough for all of your friends and family on those chilly winter nights. Both baths have been remodeled and kitchen updated. French doors and lots of light. Impeccably maintained inside and out-high end, replacement windows-2012, brand new roof and gutters and so much more. This home has not spared quality and shows pride in ownership for over 40 years. Not a drive by-come on inside.
