## Overview

Looking for that special island home on the quiet, west end of Oak Island that is large enough for your growing family...(children, grandchildren and friends) and everyone has a bedroom? WELCOME HOME! This 4 BD 2.5 BA "beach beauty" includes plenty of space; inside and out. The large, covered front porch is welcoming and great for your morning coffee or afternoon, refreshing drink. The outdoor shower is conveniently located to keep most of the sand outside. The rear of the house is a private oasis with screened porch, open deck and beautifully landscaped yard for fun and play. The primary living level boasts a large living room with built-in shelves, formal dining room for those special family meals and access to the screened porch, amply sized kitchen with a pantry and breakfast nook and a very functional laundry/mud room with extra storage and where the tankless water heater is located. Oops, almost forgot the conveniently located half bath located under the stairs. Take the nautically themed stairway to the second floor where you'll find the primary bedroom ensuite(w/bath) plus (3) additional bedrooms and (1) bath. Again...WELCOME HOME!
