Overview

Enjoy sophistication and comfort in this contemporary city retreat surrounded by lush greenery. The natural flow of the floor plan will make you feel right at home and the professional landscaping, as viewed through the over-sized windows, create a serene ambience! The kitchen acts as a focal point of the open floor plan, which includes beautiful custom cabinetry and other accoutrements one expects in a luxury home! The floating staircase with professionally designed lighting flows through the three levels and provides lovely ambience and stands out like a piece of artwork. Come explore this sun filled California inspired home and you will appreciate all of the extra touches the interior designers crafted from the fixtures to amazing lighting details! The lower level, with 11' ceilings and custom cabinetry, will stand out as one of the best you will see. Located in the sought after lovely Waban neighborhood of Newton - close to public transportation and highway access.
