Overview

Welcome to the Inn at Bowman! This gracious property is an ideal vacation spot for a family or families. There are a total of 13 bedrooms with 14.5 bathrooms! Eight bedrooms are in the main house all with private baths, a large living room and well appointed, modern kitchen with a pellet stove to welcome you after a day of skiing, this is a perfect getaway for the family who loves to play together yet treasures privacy! Summer days can be enjoyed by the inground pool, hot tub and pool house with a cold beverage and your favorite BBQ. Or, venture off the property to hike, golf, boat, shop with all four season activities close by. Prefer winter? Skiing, snowmobiling are close by...oh, did we mention views? You'll enjoy breathtaking views right out your window! In addition, there is a separate carriage house for overflow guests with 5 bedrooms each with private baths and two with kitchens/living rooms or rent out as apartments or short term stays for added income. The Carriage House also includes a 1, 532 garage that can easily store your cars and all your toys or convert it to extra living space! The property has gone through significant renovations between 1991-2021 with all updated wiring and plumbing throughout. This property is well kept and well appointed and ready to welcome you and your family and friends to the beautiful White Mountains of New Hampshire. For the budding Innkeeper in you, this is turn key for a BandB or Airbnb...the possibilities are endless!
