Overview

This charming home offers a well-designed first floor with plenty of living space and natural light. Upon entering, you're greeted by a formal dining room, perfect for gatherings, and a versatile office/flex space ideal for working from home. The kitchen, featuring stainless steel appliances, flows seamlessly into the breakfast nook, onto a cozy sunroom, and a spacious living room with a fireplace. The primary suite on the main level includes an ensuite bath for your convenience. Also on the first floor are a laundry room and a half bath. Upstairs, you'll find four additional bedrooms and two full bathrooms, providing ample space for family or guests. Step outside to relax on the welcoming front porch or unwind on the back deck overlooking the fenced backyard perfect for outdoor activities. Located in a prime area, this home is close to everything Cornelius and Lake Norman have to offer, making it a perfect blend of comfort and convenience.
