Overview

A total of three parcels, including one waterfront parcel with 100 feet of frontage on the Bay in Southern Door. Wooded with a cabin to restore to its original charm or use the open area of the lot to build new. This property has been in the family for decades. Spectacular sunsets with a shoreline of large flat rock and smaller rocks in an area where some neighbors have docks. Parcel numbers 0200228282513R, 0200228282513G, and 0200227282523F. One of the parcels has frontage on County M; the other has frontage on Hammarstrom. Seller wishes to sell all three parcels together. The property has a well which is not warranted. Septic and electric has been disconnected. Also see MLS #143172.
