Overview

Introducing a prime land opportunity in Gaylesville, AL. The Opportunity offers potential for residential development, recreational use, and any agricultural endeavor. The Property offers a rural setting that is surrounded by mature timber. The timber onsite offers a potential value between \$20k-\$30k. The topography is varying but easy to navigate by foot or vehicle. There is a variety of soil in the area, where under proper management can be conducive to several crop types. The land has light development that includes a dirt drive, clearing with power, and several established foot trails. The Opportunity is located just over the AL/GA line and is in close proximity to several state parks, lakes, and other recreational activity centers.
