## Overview

What a great setup here for a family with guests or in laws! The new home is a 40 x 60 shouse with right at 1000 sq ft of living space and a 1400 sq shop to die for. The home has one bedroom one nice big bathroom with a custom shower in tile. The open living room and kitchen is very entertaining. Huge kitchen island that has room for several bar stools. Wood burning fireplace in the living room for those cold nights. The front covered porch is so cozy and will be a great spot to enjoy a cup of coffee while reading a good book. The shop has room for two vehicles and your toys such as side by sides and mowers. This was just completed and everything is new. The cabin or guest house is so quaint, the in laws will be wanting to come visit more! Its also a one bedroom one bath 900 sq ft with a full loft that will sleep 4-6 more people. The cabin is rustic but modern. The handrails are so neat going up stairs they are made out of old whiskey barrels. Kitchen and living room is a pretty big open area. Covered front porch as well to sit and watch wildlife. There is a lot of deer and wildlife here and plenty of land to hunt to kill a deer every year. You will be close to Lake of the Ozarks its literally just behind this property. There is a boat ramp and marina close by to put your boat and enjoy the lake. This place will not last long! South of Stover Mo but also close to Laurie, Mo area.
