## Overview

Welcome to this meticulously maintained and updated home that is situated in a great neighborhood setting. This house offers so much - gorgeous hardwood floors, an oversized family room with vaulted ceilings, efficient mini-splits, a modern kitchen with stainless steel appliances and solid surface counters, a renovated bathroom, three bedrooms including a spacious primary bedroom, and a full laundry room. The fenced in backyard is the perfect spot to relax or entertain with it's large deck, fire pit, storage shed, and the included pool and gazebo. Many recent updates including the roof, water heater, mini-split systems, leased solar panels, and more.
