Overview

The Harris plan is a one-story home featuring 4 bedrooms, 2.5 baths, and 2 car garage. The foyer opens to two guest bedrooms and bath with hallway linen closet. Additional bedroom, powder bath and coat closet are situated just before the common living and dining area. The kitchen includes a breakfast bar with beautiful Bianco Carrera granite counter tops, white cabinets, stainless steel appliances, corner pantry and connects the open concept family room. The primary suite features a sloped ceiling and attractive primary bath with dual vanities, water closet and spacious walk-in closet. The standard rear covered patio is located off the family room. Silversmith LVP flooring and Silver Dollar carpet can be seen throughout the home. Images and 3D tour are for illustration only and options may vary from home as built.
