Overview

Looking for the perfect acreage but havent found the right fit? This extraordinary 2-story home sits on just under 8 acres and is packed with features sure to impress. As you arrive, youll notice the expansive 30x50 outbuilding, perfect for storage, hobbies, or a workshop. Nestled in the peaceful surroundings is a private, fully stocked pondideal for fishing or relaxing. The oversized 2-car garage also includes a workshop area for added convenience. The home features expansive decks and a charming front porch to enjoy the beautiful setting. Inside, the rustic charm of knotty pine creates a warm atmosphere. The generously sized living room is great for hosting guests or quiet evenings at home. The large kitchen offers plenty of counter space and a large island, perfect for casual meals, with the adjacent dining area for larger gatherings. On the main level, youll find a spacious bedroom and bathroom, plus thoughtfully placed storage closets. Upstairs, there are two additional bedrooms, including a primary suite with a walk-in closet and another large bedroom perfect for a home office or guest space. The upstairs bathroom has a double vanity and a beautifully tiled tub/shower combo. For year-round comfort, the home is equipped with radiant floor heating, a mini-split unit, and electric heating. The unfinished basement offers endless potential, including a possible 4th bedroom and more living space. Schedule your tour today!
