## Overview

GREAT property and shows like a model home! Situated on 14.731 beautiful acres, With almost \$50, 000 spent on recent updates and improvements, this 1389 square-foot three bedroom, two bathroom home is situated on an expansive ranch featuring main home, storage buildings, barn w/corral and livestock chute, two retention ponds, irrigated pecan orchard, bee hive(s), public water thru Aqua WSC(no well needed!), and much more. Recent updates include, but not limited to complete fresh exterior paint and gutters installed on main house, complete kitchen remodel, bathroom remodels, updated water heater, propane tank, flooring, plumbing and electrical, recent septic pump out (12/2023), and much more. This private and secluded property also has Agricultural and Wildlife Tax Exemptions, Low Tax Rate and Lockhart ISD. Welcome Home!
