This beautifully restored mid century home in the quaint town of Taylor is sure to be everything you're looking for and more! On arrival you'll immediately notice its classic curb appeal. Upon entering the home you'll notice the living space is flooded with natural light thanks to the original windows that have been lovingly restored. Beautiful blonde oak engineered hardwood is seen throughout and aids in maintaining the light, bright feel the space has! The dining room is flanked on both sides with exposed brick bringing character to the space. You will also notice this detail on the backsplash behind the oven. The kitchen features a cute breakfast nook equipped with built-in storage shelves on both sides. There is an expansive pantry in the kitchen. The primary bedroom has a large original window as well as double doors that access the covered wood deck and large backyard. The primary bathroom has been thoughtfully updated with decorative floor to ceiling tile in both the shower and behind the double sink vanity.
