Overview

Discover the perfect blend of comfort and convenience in this charming 3-bedroom, 2-bathroom home nestled on a peaceful dead-end road at the edge of town. Sitting on three expansive lots totaling .55 acres, this property offers plenty of space for outdoor living. The oversized 2-car garage is a standout feature, with plenty of space for a working area, AC/heat, a storage room on the rear and an additional storage shed. Inside, you'll find a spacious living room and kitchen, ideal for gatherings, and a bright sunroom at the back of the house for relaxing with a good book or enjoying your morning coffee. The home has been thoughtfully updated with new carpet in all bedrooms (2021), a modernized kitchen with updated appliances (2022), a refreshed laundry room (2022), full bath beautifully remodeled (2023) and updated lighting throughout the home. Solar panels were installed in 2023, ensuring efficiency and style. The roof, siding, windows, and doors were all updated between 2013 and 2015. This home is ready for you to move in and start making memories.
