Overview

Showings begin on Saturday, August 31. Wonderful unit within walking distance to all that charming Lake Forest has to offer. The spacious living room includes an elegant fireplace and is ideal for entertaining. Adjacent is the cozy den for a quiet retreat. The primary bedroom includes private new bathroom with walk in shower and redone walk in closet with custom shelving. The guest bedroom is adjacent to the second bath which was recently totally redone with built ins and an amazing soaking tub. This bedroom has ample storage with 2 closets. An in unit laundry is equipped with new washer and dryer. The eat-in kitchen with gas range and oven features many recent upgrades including custom cabinetry, new counters, exhaust hood and lighting. This is a beautiful building surrounded by mature and lush landscaping and is very well maintained. The underground garage is heated and offers a private storage unit. Enjoy your new home here and all the amenities of Lake Forest including an incredible beach, shopping around Market Square, walking through Open Lands, and enjoying Farmers Markets, local and neighboring restaurants!
