Overview

Step into this beautifully upgraded townhome, where comfort and style meet. Featuring 3 spacious bedrooms, 2.5 baths, and an attached garage with a driveway, this home offers convenience and luxury at every turn. The fully finished basement offering an additional 650sqft of living space is a true retreat, boasting high-hat lighting, ceiling fans, a private office, and abundant storage space. Enjoy the elegance of hardwood floors throughout the 1st and 2nd floors, with a runner on the stairs for added charm. The 8ft-extended kitchen is a chef's dream, featuring extra upper and lower cabinets, instant hot water, a combination of granite and quartz countertops, a double wall oven, a stovetop, and a morning room addition perfect for casual dining. Plantation shutters adorn most of the home, adding a touch of sophistication. Additional high-hat lighting in the kitchen and basement ensures a bright and welcoming atmosphere. Relax and entertain on the Trek deck, complete with an electric awning for comfort in any weather. The bathrooms are true oases, with both full baths fully remodeled. The primary bath boasts a beautiful vanity with double sinks and ample storage, as well as a large frameless glass walk-in shower with a seat. The hall bath offers a deep soaker tub, new tile work, and a convenient soap niche. The laundry room

is conveniently located on the second floor. Situated close to excellent shopping, top-notch restaurants, and beautiful parks, this home is ideally located for both convenience and leisure. Dont miss your chance to make this exceptional townhome yourschedule your showing today before its gone!
