Overview

Charming one-story, three-bedroom brick home is nestled in gated, resort-style community. This home greets you with an inviting covered porch and also has a screened Florida Sun Room, perfect for relaxing. Amenities include plantation shutters, hardwood floors, arched doorways, and towering ceilings. Updated kitchen is a chef's delight, featuring a center island, granite countertops, breakfast bar, custom cabinetry, and built-in appliances. Private master suite includes sitting area and en-suite bath. Formal dining room is perfect for entertaining and the family room, complete with a brick fireplace, offers a warm and welcoming space. Home also includes 3 spacious auxiliary bedrooms and versatile 2nd living area that could double as a home office. Well-appointed laundry room includes built-in cabinets. Beautifully landscaped private, fenced backyard is ideal for outdoor enjoyment. HOA maintains front yard and residents have access to tennis-pickleball courts, swimming pool, and clubhouse. A must see!
