## Overview

: Expansive Cape Cod Bay and sunset views from the deck, living room, dining room and kitchen turn this "very nice house!" into "heavenly!" A very quick stroll to the association stairs and private beach provides the sand and swimming access you've always dreamed about. With 2376 sq. ft. of living space, you'll have options on 3 levels to spread out. Open floor plan makes for easy entertaining and deck access for sunset beverages and outdoor meals. Many new improvements in the last year including: all new cedar and clapboard siding, composite trim, new composite and enlarged deck and front porch, new natural gas furnace and professionally painted inside including all trim on 2 main levels. In addition there are split units for hot days and a wood burning fireplace for cool nights, a large nearly new storage shed for bikes and beach toys, outdoor shower and an extra family room in the walkout lower level for games, movie nights and hang out space. Ready to move in, enjoy or rent!
