Overview

Indulge in luxury living with every possible upgrade included. This sleek Stonebridge Highpointe condo is pristine with freshly painted exterior and offers a vast open floor plan, vaulted and tray ceilings, Chelsea plank hardwood floors, heated tile floors in all 3 full bathrooms, study with custom built-ins, and a grand owner's suite. The chef's kitchen features the island of your dreams, quartz counters, walnut cabinets to the ceiling, induction cooktop, double wall oven, and bar with beverage fridge and wine cooler. The entry level also boasts 2nd bedroom, study, mudroom/laundry room off 2.5 car garage. The gorgeous 4-seasons room looks out over lush wetlands and connects to deck and lower patio. The lower level has 3rd full bedroom and bathroom. Huge storage area and multi-purpose room. The immense family room/multipurpose space includes LED recessed lighting and daylight windows. The remainder of the lower level offers an abundance of storage. Other features include: 2 x 6 construction, whole house HEPA filter and humidifier on furnace, whole house instant hot water heater, solid core doors, seamless glass shower surrounds, insulated interior walls.
