Overview

Five acres wooded lot, huge pole barn, pond, and with the primary bedroom suite on the main floor, this could be your forever home! Inside the foyer entry there is a formal dining room, two story living room, and gas fireplace. The main floor primary bedroom has a full bath with separate soaking tub, shower, and two separate vanities. The primary bedroom also has it's own en suite perfect for an office with gorgeous views. The eat in kitchen offers plenty of cabinet space, all appliances to stay, and a custom pantry cabinet. The laundry room is off of the two car garage along with a 3/4 bath. Upstairs there is a loft area, another primary bedroom that has its own full bath. The other two bedrooms share another full bath. The pole barn has air conditioning in half of the building and a workshop in the other half. Enjoy the view of the pond and fountain from the brand new deck that spans the back of the house. Private living, newer roof, all in Millstadt schools! Pictures coming this week!
