Overview

The beautifully landscaped grounds are a fitting introduction to a superb interior. Don't miss out on this magnificent ranch with a legal accessory apartment. You will absolutely love the great open floor plan. This very spacious home is light and bright. There are hardwood floors in the entertainment sized living and dining rooms. The kitchen is so well planned and complete, it's an inspiration to any cook with granite countertops, plenty of cabinets, a nice size breakfast area and open to the family room. Relax in the large family room featuring a gas fireplace and access to the deck. The master bedroom glows with warmth and comfort and has a walk in closet and full bath. On the lower level there is a beautiful one bedroom legal accessory apartment with an open floor plan. The living room has a gas fireplace and the kitchen has been beautifully updated. There is plenty of room for storage in the large unfinished area on the lower level. Ideal for extended family members. This is a rare find and definitely worth seeing. There is a washer and dryer on each level. Enjoy the pool, tennis and clubhouse. Located only minutes to I84 and the train. Shows very well.
