Overview

This 2 bedroom 2 bath home has an ideal cul-de-sac location which adds to your privacy. You will love the openness of the living, dining, and kitchen areas. The large living room has a brick fireplace which can also be viewed from the dining room. The kitchen has a large eating area and pantry. The best part of this living area is the openness that also includes the enclosed patio which looks out on a totally private wooded area. There is also a large storage closet in your patio area. The extra large master bedroom has a walk-in closet and a deluxe master bath that includes a double sink, a tub, and a separate shower. The laundry has a full-sized washer and dryer. There is a large linen closet outside of the second bedroom which also has a double closet. The 1 car garage is attached. This great location puts you approximately 2 miles from both the Mt. Prospect and Prospect Heights train stations. Enjoy the maintenance free living, the many walking paths, pool, and clubhouse with it's many activities. You are also close to Randhurst shopping center which has much to offer and can fill up your day with shopping and dining.
