Overview

Endless possibilities await in this conveniently located home! With a little care and patience, it has incredible potential. The main level features a spacious living room, 3 bedrooms, 1.5 bathrooms, and a charming kitchen with an attached dining room. The basement includes a finished room ideal for a den or an extra bedroom, while the unfinished portion provides ample storage space. The highlight of this home is the quaint one-bedroom apartment upstairs, perfect for related living. This area has access from both inside the home and an exterior entrance. The apartment includes a large full bathroom, a cozy living room with a kitchenette, a screened-in porch, and a bedroom, as well as its own designated furnace. Outside, you'll find a fenced-in backyard complete with a pool!
