\$227,000

Overview

Discover an exceptional 84-acre parcel for sale in South Boardman, offering unparalleled opportunities with its prime location. Fronting US 131, this expansive property provides excellent visibility and accessibility, while still maintaining the serenity of its wooded landscape. Zoned Residential-AG. Any commercial inquiries need to be directed to the township. The conversations about such a variance with the township have been encouraging leaving the potentials for this property immense! With a mix of towering pines and robust hardwoods, the land is not only picturesque but also supports rich wildlife, making it perfect for recreational activities and hunting! Access is convenient via US 131, Croton Road and Raymo Road.
