## Overview

The Guilford is a beautiful two-story home with four bedrooms, two-and-one-half bathrooms, and an upstairs loft! A dining/flex room is located just past the entry, adjacent to the kitchen. Step into the kitchen to find ample counter space and cabinets, as well as a corner pantry with even more storage. The kitchen overlooks the spacious great room. After walking up the stairs, you are greeted by a loft space, perfect for relaxing or entertaining. The upstairs primary bedroom suite features a large walk-in closet, dual vanities, and a large walk-in shower. The additional upstairs bedrooms feature spacious closets and share a full bathroom. We've also added a covered patio out back for enjoying those sweet Carolina evenings
