Overview

Wonderfully maintained and lovingly updated home close to downtown Bethlehem. This 3 bedroom, 1.5 bathroom home is just waiting for its new owners. The bright and airy living room has new flooring (2021) and fresh paint, and a conveniently located half bath. Updated kitchen with new flooring, pantry, SS appliances and just steps from relaxing on your deck, patio or fenced yard. The second floor has 3 nice size bedrooms and an updated full bath. Don't miss all the extra room in the basement. Great for family room, kids play room, craft room, etc. Hidden in the back is the laundry room with storage. The attic has pull down steps with tons of storage space. The current owners have updated the C/A, hot water heater, roof, along with much more. Great fenced yard with lighted fence post caps, and a paved area to relax. Make your appointment today so you can see this gem for yourself.
