Overview

Opportunity of a lifetime to own this spectacular Lake Forest estate, completed in 2019, spanning over 5.27 acres with 570 feet of Lake Michigan frontage w/ a protected cove beach, 2 boat launches, a fabulous pool, spa, boathouse and garage space for 22 cars. Taking almost 4 years to build, this magnificent home boasts 10, 000 SF of sophisticated and luxurious living space above grade, 5, 000 SF of exquisitely finished lower-level space and 6, 000 SF of beautifully finished LL garage space for 16 cars, with elevator access to all 4 levels. As you enter the grounds of this breathtaking estate, there is a circular stone drive that leads to the stone forecourt w/ two, 3-car garages and a driveway to the underground 16 car garage, all w/ snow melt systems. This stone and brick home has a slate roof w/ custom copper gutters and downspouts, Marvin windows and doors, high ceilings, custom designer lighting, smart house technology, geothermal heating and cooling w/ radiant heat floors on all 4 levels, and a back staircase w/ access to all levels. The outdoor amenities are beyond compare, including a pool with deck jets, diving board and under water speakers, a spa with a fountain and 2 fire bowls, an outdoor kitchen and bluestone terraces w/ 3 loggias, one with a TV and fireplace. The custom 3 1/2 inch thick white oak front door with sidelights and artistic wrought iron detail

opens to the foyer with limestone floors and 8 custom, concealed wood paneled closets. The handsome library w/ walnut bookshelves, library ladder, intricate millwork, and fireplace has French doors that open to the back loggia with panoramic views of the lake and access to the northern 3 car garage with separate loggia. The east loggia connects to the living room and overlooks the pool, expansive grounds and Lake Michigan. The living room opens to the elegant dining room, which is adjacent to the breakfast room and exquisite Christopher Peacock kitchen and butler's pantry w/ white high gloss cabinetry w/ walnut interiors, and thick quartzite countertops. The massive island has Bahia granite countertops, refrigerator drawers and seating for 4. La Cornue, Miele and Sub-Zero appliances complete this gourmet kitchen which is open to the stunning family room. The exquisite staircase to the second floor is oval w/ custom wrought iron railings that blend utter sophistication with today's living. The luxurious primary suite has incredible views of the lake w/ French doors accessing a private blue stone balcony. The suite contains two separate custom closets w/ designer lighting, 2 linen closets, and a wet bar. The primary bathroom has a large frameless steam shower w/ lovely soaking tub that overlook the lake w/ two separate custom vanities w/ indirect cove lighting accenting the gold leaf barrel vault ceiling. En-suite bedrooms 2, 3, and 4 have wide plank hardwood floors, gorgeous bathrooms and access to a secondary balcony on the east side of the home w/ 180-degree views of the lake. Bedroom 5 has a wonderful balcony with sunset views, 2 custom closets and a fabulous bathroom w/ separate tub and shower. The huge laundry room w/ 3 washing machines and 3 dryers completes the second floor. The lower level has one additional bedroom currently used as a gym, a phenomenal theatre room that seats 16, an incredibly luxurious spa room w/ a large RIVA jetted tub w/ rain shower above, fireplace, steam shower and sauna, a lounge w/ an expansive custom designed wet bar, outstanding wine cellar with views of the 16-car garage, a billiards room and second family room w/ fireplace. Drive through the gated southern entrance down to the boathouse or use the opulent historic monumental staircase, enjoying the details of the historic grand marble fountain and stairs to the boathouse from the original Harold F. and Edith Rockefeller McCormick estate. Enjoy luxurious lakefront living at its best in this breathtaking legacy property with the highest level of custom designer finishes available today
