Overview

Modern Ranch Retreat in Sachse, TX This beautifully revamped 4-bedroom, 3-bathroom ranch-style estate offers contemporary living on a sprawling 5-acre lot. Centrally located between Wylie and Firewheel, minutes from GB Hwy, and within the esteemed Wylie ISD, the home boasts easy access to a variety of dining, shopping, and entertainment options while preserving a serene country atmosphere. Step inside to discover the modern touches throughout! The spacious floor plan includes a mother-in-law suite or oversized game room with a fireplace and a private bathroom. Outside, embrace tranquility in the oversized backyard featuring a covered patio, an inground pool, and a unique garden pond. The property also includes a barn workshop with electricity, perfect for hobbies or additional storage. Bonus: An attached vacant lot. 676 acres behind the property (being sold together or separately) that offers endless possibilities. This home is a perfect blend of modern convenience and country charm!
