Overview

This beautiful Chatham Village home is just 1 year young and features both the master and 2nd BR on the main level. The kitchen is large with extra features including white quartz countertops. The kitchen island is great for a quick sit-down meal. The master bath is luxurious and features a walk-in tile shower and quartz CT's. The 2nd level has 2 BR's, a full bath and loft area for relaxing; or a great place for children to do homework or play games. The lower level is completely finished and has the 5th BR and full bath for guests. The home is close proximity (walking distance) to the clubhouse and includes a social membership to Chatham Village! Come view this home, you won't be disappointed!
