Overview

Escape to your private sanctuary with this unique 10 acre property! Enjoy off-grid living in a cozy 400 square foot cabin equipped with both solar panels and a generator for your power needs. Embrace the serenity and seclusion of nature while still having essential amenities at your fingertips. Perfect for those seeking a self-sufficient lifestyle or a tranquil retreat. Don't miss out on this rare opportunity to own your own piece of paradise! Best part, only a few short miles from Roscommon and all its amenities. Comes mostly furnished including two 2004 Polaris Snowmobiles in excellent condition.
