Overview

Welcome to this beautifully maintained colonial seconds from downtown Melrose! With meticulous updates honoring its timeless charm, this house is truly special. Outstanding curb appeal w/ new stone walk, granite stairs, and retaining wall w/ lush landscaping. Fully enclosed/renovated front porch/bonus rm adds extra living space for much of the year, leading you to cozy living room w/new flooring and gas fireplace w/marble hearth. The kitchen, fully renovated in 2019, is a chefs delight, featuring a functional layout, generous counter space, ample storage, and new appliances. The space was designed to seamlessly flow from the eat-in counter to dining room w/built-ins. Upstairs are two bedrooms with good storage and full tiled bath. The property boasts a lovely lot w/ patio (2020), landscaping, and garage. Recent features also include central AC (2019), updated electrical panel (2019), generator hookup (2019), many energy-efficiency updates, siding (2021), and more! All you have to do is move in!
