Overview

This immaculate 3 bedroom, 2 1/2 bath two-story home with tons of natural light is a Lennar build in the wonderful The Colony subdivision. With 1591 sq ft (per BCAD), this paired home was built in 2019 and has an open-concept kitchen/living/dining areas making it ideal for family gatherings and entertaining. Finishing off the downstairs is the 1/2 bath along with access to a covered patio in the fenced backyard. All 3 bedrooms, 2 full baths and the conveniently located utility area are upstairs along with a nice office/flex space. Beautiful and easy to maintain laminate wood floors are throughout the downstairs with carpeting upstairs. The front yard is maintained by the HOA and residents have access to amenities like a community pool, dog park, playground, walking trails and frisbee golf course. The property is conveniently located to schools, shopping and dining and is approximately 30 minutes from Austin-Bergstrom Airport. This is a must see stunning home.
