Overview

Single floor living at it's very best! This ranch features an open floorplan with soaring vaulted ceilings and large windows that let in tons of natural light. The kitchen is spacious with an efficient layout, and the adjoining dining area has sliding doors with a Juliet balcony. The primary bedroom is generously sized with walk in closet an attached private bath that has a separate tub shower, and dual sinks. The reaming two bedrooms share a full bath right across the hall. The unfinished lower level walkout offers tons of potential to nearly double your living space, a rough in for a full bath and large egress window. Home has been freshly painted and new carpet installed this month. This beauty is move in ready and waiting for you!
