## Overview

This well maintained home offers a perfect blend of comfort and style, featuring sweeping high ceilings, custom built-ins and a warm gas fireplace that adds a cozy touch to the living area. The main floor office is an ideal space for remote work, hobbies or a quiet retreat. The kitchen is designed with function and style in mind with stainless appliances, hardwood floors and granite counters, making it a great spot for daily meals and entertaining. Upstairs, the spacious primary suite offers a relaxing soaking tub, walk-in closet and coved ceilings that add character and charm. Two additional bedrooms provide plenty of space for family or guests, and the conveniently located upstairs laundry area adds to the homes practicality. Step outside and enjoy the oversized patio with a pergola, water feature, built-in BBQ area, and gas firepit. This space is designed for relaxation and entertainment, offering a peaceful retreat in your own backyard. AC and built in work bench area in the garage. This home is not only designed for easy living, but also situated in a friendly desirable golf course community. Enjoy the quick access to scenic trails, Chehelem Glenn Golf Course and chipping green, and the convenience of being just minutes from shopping and restaurants!
