Overview

This is a great property to make that perfect summer getaway spot to bring up the camper or build that year round full time home. The subdivision has a landowners lodge and private access to the Conejos River (from common areas). Enjoy the awe inspiring sunrises with the local wildlife. Head out the main entrance onto FDR 103 (forest service road) on the atv/utvs and head into acres of Nat'l Forest. Come take a look at this gem. Please note - if inquiring through an online website and attempting to contact agent , these sites may not connect you with the advertised agent and may not even connect you with a local area agent. Please contact any local area agent directly to ensure you are receiving up to date, local information, and guidance.
